

## **TRIBUTE TO AUNT MOANNA MILES MOSS**

*We are so grateful to the late Aunt Moanna for starting the Miles Family Reunion. Aunt Moanna thought about a family reunion. She talked to her children and later talked to her sister and brother.*

*In 1975, Aunt Moanna organized the family reunion and held the first Bi-Annual reunion in August 1976. It was a great success. She said let's have another in two years. Since then, we have continued every two years rotating family reunions in over seven states.*

*Aunt Moanna's memory lives on. We thank her for creating a legacy that inspires us to keep the family together.*
