

TRIBUTE TO CYNTHIA JOHNSON
OUR PRESCIOUS MOTHER

*We hold you close within our hearts,
And there you shall remain,
To walk with us throughout our lives, until we meet again.*

*You left us Courage that we might see,
Our hearts can rebuild a world without you.
You left us Faith, that we might believe,
The Spirit will survive no matter how much we grieve.*

*You left us Love to comfort us in its healing,
An embrace, until we meet again in another place.*

*So rest in peace dear mother,
And thanks for all you've done.
We pray that God has given you the crown of Life you have truly won.
We love and miss you dearly,
